SUMMARY

Motivated Computer Science undergraduate with strong foundations in programming, UI/UX designing, software development, web technologies, databases, data structures and algorithms, and cyber security. Seeking opportunities to apply technical and problem-solving skills while gaining practical industry experience.

EXPERIENCE

Bold Analytics <i>Data analytics</i>	Present
YuvaIntern <i>Salesforce Operations Associate</i>	Jul 2026 – Aug 2026
Thiranex <i>UI/UX Design Intern</i>	May 2026 – Jun. 2026
Softskill Company <i>Java Intern</i>	Jun. 2026 – Jul. 2026

EDUCATION

Amity University Jharkhand <i>B.Tech in Computer Science and Engineering</i>	2023 – 2027 Ranchi, Jharkhand
St. Xavier's College Ranchi <i>Intermediate – 80%</i>	2021 – 2023 Ranchi, Jharkhand
Jindal School Patratu <i>Schooling – 90%</i>	2020 – 2021 Patratu, Jharkhand

SKILLS

Programming Languages: C, C++, Java, Python, Kotlin
Web Technologies: HTML, CSS, JavaScript, React.js, Node.js, Express.js, Angular, UI/UX
Computer Science: Data Structures & Algorithms, OOP, DBMS, Cyber Security
Databases: MySQL, MongoDB, Oracle
Tools & Technologies: Git, GitHub, Figma, Salesforce

PROJECTS

Patratu Tourister Management System

Tech Stack: C++, OOP, File Handling

- Developed a tourism management system for managing tourist information, destinations, and travel-related records for Patratu.
- Implemented object-oriented programming and file handling to organize and persist application data.

Expense Tracker System

Tech Stack: Java, OOP, File Handling

- Developed a Core Java application to record, categorize, and track daily expenses for improved personal financial management.
- Applied object-oriented programming concepts and file handling for structured expense data management.

Travelling Management System

Tech Stack: C++, OOP, File Handling

- Built a C++ based travel management system to manage traveller details, destinations, and travel-related information.
- Used object-oriented programming and file handling concepts to create a structured and user-friendly console application.

CERTIFICATIONS

- C/C++ Programming – Infosys
- Java Programming – Infosys
- Python Programming – Infosys
- AI/ML – Infosys & Venura Tech
- UI/UX – Infosys & NSDC(National webinar)
- Cyber Security – Infosys
- MongoDB – GeeksforGeeks
- Data Analyst – Beep
- Power BI – SkillCourse
